Asana
Trello

EXPERIENCE

Web Developer — 08-23 - current
LMU Loyola Law School

Manage LMU Loyola Law School's web presence across TerminalFour, Drupal, and WordPress. Lead site migrations, strategy, design, development, and maintenance. Recent LLS Tech site redesign increased traffic by 40%.

TOOLS: Adobe DreamWeaver & PhotoShop, AWS, CSS, Drupal, Google Analytics, JavaScript, MySQL, Pantheon, PHP, SCSS, TerminalFour, TouchNet, Twig, WordPress

Web Developer Intern — 09-22 - 04-23
Push10

Built custom WordPress content blocks and translated Figma designs into responsive, production-ready components. Led QA efforts for Amberton University's site redesign, ensuring all builds aligned precisely with design specifications.

TOOLS: Docker, Figma, HTML, Gulp, JavaScript, Lando, Pantheon, PHP, SCSS, WordPress

Frontend Developer Projects — 09-21 - 04-23

Built responsive applications using JavaScript and React, featuring a Weather & Dictionary App, Facial Recognition Locator, and filterable Robo Card interface.

TOOLS: API, Bootstrap, CSS, Figma, HTML, JavaScript, Pantheon, React, SCSS

UX / UI Designer Projects — 09-21 - 05-22

Designed responsive, user-centered interfaces in Adobe XD and Figma, developing wireframes and high-fidelity prototypes through iterative testing.

TOOLS: Adobe PhotoShop & XD, Figma, Sketch
